

# NEET 2023 Syllabus

NEET 2023 syllabus will be announced by the National Testing Agency along with the NEET 2023 exam information brochure. NEET 2023 syllabus is most probably the same as the class 12 board and also includes the class 11 topics as well from Biology, Chemistry and Physics. Here, the candidates can check the brief information about the NEET 2023 syllabus

## NEET 2023 Syllabus for Physics

Here, the candidates can check the Physics NEET 2023 syllabus from class 11-12

### Class 11 Topics –

- Kinematics
- Laws of Motion
- Physical world and measurement
- Gravitation
- Properties of Bulk Matter
- Thermodynamics
- Oscillations and waves
- Behaviour of Perfect Gas and Kinetic Theory
- Motion of System of Particles and Rigid Body

### Class 12 Topics –

- Current Electricity
- Electrostatics
- EM Waves
- Optics
- Atoms and Nuclei
- Electronic Devices
- Magnetic Effects of Current and Magnetism

## NEET 2023 Syllabus for Chemistry

The candidates can check the following topics for the NEET 2023 syllabus for Chemistry

### Class 11 Topics –

- Structure of atoms
- Basic concepts of Chemistry
- States of the matter: Gases and Liquids
- Chemical Bonding and Molecular Structure
- Classification of Elements and Periodicity in Properties
- Thermodynamics
- Redox reaction
- Hydrogen
- Organic Chemistry- Some Basic Principles and Techniques
- Environmental Chemistry
- s-Block Element (Alkali and Alkaline earth metals)

### Class 12 Topics –

- Solutions
- Chemical Kinetics
- General Principles and Processes of Isolation of Elements
- d and f Block Elements
- Surface Chemistry
- Electrochemistry
- Coordination Compounds
- Aldehydes, Ketones and Carboxylic Acids
- Alcohols, Phenols and Ethers
- Biomolecules
- Polymers
- Chemistry in Everyday Life
- p- Block Elements
- Haloalkanes and Haloarenes

## **NEET 2023 Syllabus for Biology**

Here, the candidates can check the tables for getting details on the NEET syllabus 2023 Biology

### **Class 11 Topics**

- Cell Structure and Function
- Structural Organisation in Animals and Plants
- Diversity in Living World
- Human Physiology
- Plant Physiology

### **Class 12 Topics**

- Genetics and Evolution
- Reproduction
- Biology and Human Welfare
- Ecology and Environment
- Biotechnology and its Applications
